

TCF2012 Flea Market/Vendor Information

The flea market will be indoors this year and located in the same building (Armstrong Hall) where the talks will be presented with convenient access from loading/parking area – on the same floor/level. (If the weather is warmer than expected, we can give you space outside.)

We will supply tables and chair (It appears we will have a sufficient supply without the need to rent). Rather than a fixed price, we are asking for a donation. We are recommending \$20/space, but it is up to you.

TCF will start at 10 am. Set up will start at 7:30 am.

We are asking vendors to register in advance (no payment, but we need to know that you are coming and how many tables and chairs you will require). We will provide space on a first come bases as long as the space lasts on the day of TCF. We reserve the right to limit the number of spaces provided. All sellers are responsible to clean up and remove anything they bring into the building.
